Atlant L is a professional freight carrying and forwarding company that can be trusted with the delivery of your cargo to any destination across Europe and Russia!

Just in Time is a principle we follow in everything we do, and it has helped us to remain a leading company on Central Russia's logistics market since 1995. The business development path chosen by the Company proves to be right as freight we carry is growing every year. In 2016 alone, Atlant L transported over 80,000 tons of cargo, or more than 4,000 shipments to destinations ranging from Lisbon to Vladivostok.

Our mission is to support our customers' business by making deliveries simple, reliable and affordable.

Atlant L responds to the steadily growing demand for freight transportation by offering its customers a full range of freight carrying and forwarding services covering goods of any size or category, including all classes of dangerous goods according to ADR (European Agreement concerning the International Carriage of Dangerous Goods by Road). Multimodal transportation, groupage and cross docking are the new services added by the Company to its offering recently.

Our vehicle fleet, advanced technologies and a professional team enable us to provide the highest quality services:

- Atlant L operates its own vehicle fleet, including 21-ton European trucks and MEGA semitrailers with a loading height of 3 meters and a capacity of 100 cu m. Apart from heavy trucks, the Company operates light commercial vehicles, which are an ideal solution for busy city streets
- All our vehicles are equipped with tracking systems to track the exact location of your cargo online
- All our employees have many years of experience with the Company and, knowing all the traps and pitfalls of international and domestic freight transport, are able to choose optimal routes. Our core asset is a team of qualified, professional drivers experienced in transporting any kind of cargo to international destinations
- Atlant L is a full member of the Association of International Road Carriers (ASMAR) and a member of the Lipetsk Chamber of Commerce and Industry

Atlant L operates in compliance with transport, labor and tax laws and is a good faith taxpayer. Our carrier's insurance covers liability for damage **up to \$600,000.**

Atlant L has gained a reputation for quality and reliability of its trucking services, and our long-term customers are the best proof:
